Broadway Across America Fort Lauderdale presents

MARY POPPINS

June 10 - 27, 2010 at various times

Au-Rene Theater

Combining the best of the original stories by P. L. Travers and the beloved Walt Disney film, the Tony® Award-winning *MARY POPPINS* is everything you'd hope for in a Broadway musical—and more. Produced by Disney and Cameron Mackintosh, the show includes such wonderful songs as “Chim Chim Cher-ee,” “A Spoonful of Sugar,” “Let’s Go Fly a Kite” and, of course, “Supercalifragilisticexpialidocious.” The *NY Daily News* hails *MARY POPPINS* as “a roof-raising, toe-tapping, high-flying extravaganza!” Don’t miss all the magic of Broadway’s super hit musical, and let your imagination take flight.

PERFORMANCE TIMES

Evening weekday performances are at 8:00 PM and all weekend and weekday matinee performances are at 2:00 PM **except** Sunday performances which are at 1:00 PM & 6:30 PM.

SEATING INFORMATION

Prices range from \$133.75 - \$23.75, see chart below. Seating for this presentation will be best available seating after season subscribers. ***Lower orchestra seating will be unavailable during subscriber weeks.**

ORDER FORM INSTRUCTIONS FOR REVERSE

(Please read carefully before completing form on reverse side)

Please use the order form on the reverse when submitting your request to the Entourage Office. The first two columns are for you to specify your preference for Matinee vs. Evening performances; you can mark your 1st, 2nd, 3rd and 4th alternate performance choices in this column by using the numerals 1, 2, 3 and 4. The remaining columns are there for you to specify the number of tickets you'd like to purchase in the corresponding ticket price column. Please note that the non-subscriber week performances has VIP and A priced seating in Lower Orchestra. Use the number of tickets and the price chart above to complete the ticket cost summary area, and be sure to note any specific seating requests (like aisles or with other Entourage members) in the space provided. Please do not use the grayed areas of the chart.
