The Addams Family

SCHOOL EDITION

DIRECTOR'S NOTE

As we delve into the delightfully macabre world of the Addams Family, we can't help but draw parallels between their quirky charm and the vibrant energy of our talented teens. Their dedication and passion transform the stage into a realm where the unusual becomes extraordinary. As Wednesday Addams introduces her "normal" boyfriend to her eccentric family, our teens' expressive performance reminds us that normalcy is subjective and that it's our differences that make us truly special. Enjoy the show!
