Key Highlights

Overall

May financials resulted in an operating deficit, before depreciation and capital contribution, of \$384K, a \$409K negative variance to budget. Results were driven by the impact of the COVID-19 pandemic and the resulting mandatory cancellations and rescheduling of performances that were to have occurred during the month. Total operating revenue had a \$2,119K negative variance to budget, which was substantially offset by lower expenses with a \$1,710K positive variance to budget

COVID-19 Burn-Rate and Available Reserves

The average monthly burn-rate goal established by the Finance Committee and approved by the Board while theaters are closed is \$700K. May resulted in an operating loss of \$384K. Due to more aggressive cost management, including furloughs, reduced hours and reduced compensation, the projected average monthly burn-rate for the period May through September has been lowered to \$504K. 85% of all full-time and part-time employees continue to be without work. For full-time employees, the FTE count has been reduced from 104 FTEs pre-COVID to 55 FTEs effective June 1.

Available liquid net assets (cash reserves) to fund operating outlays as of May 31 was \$9.3 million. Projected net assets for fiscal year-end, September 30, is \$7.2 million.

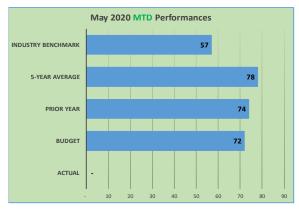

Cash and Working Capital

Cash (cash & investments, net of the restricted collateral account) is at \$8.46M. The restricted collateral account, which holds funds for the Encore debt service, funded with Series 2013A and Series 2013B Revenue Bonds and capital contribution from the Foundation, County, City, DDA and PACA, has a balance of \$680K. Working Capital is \$9.19M.

¹ Additional detail is included on the Balance Sheet, Revenue Detail Schedule and Expense Detail Schedule.
