LOADING DOCK

The Amaturio Loading Dock is located at the southwest corner of the building at S.W. 7th Ave and Las Olas Boulevard, but trucks must use the entrance on the north end of the parking lot on Himmarshee Street. There are two loading bays. The dock is 3' high, and the receiving doors are 8' wide by 8' high. The doors from the receiving area onto the stage are 7'-6" w x 25' h'.

The staging area is used to store the Amaturio's orchestra shell, as well as other equipment, depending on activities within the building. Prior notice is necessary if the dock will be accommodating a tractor trailer longer than 40'; part of the lot must be reserved so the truck can maneuver.

Shore Power is available (inside the receiving area long shared wall with the electrical closet), but you must supply your own tails.

ORCHESTRA CONCERT SHELL:

The Amaturio Theatre is equipped with 13 Wenger acoustical shell walls that can be arranged in a variety of configurations. Each shell piece is 6' wide in approximately 12' high with a 2' outrigger on the rear. Each shell piece is easily moveable with locking casters.

DRESSING ROOM / WARDROBE / SUPPORT SPACES

DRESSING ROOMS:

All dressing rooms are located directly behind the stage, and are accessible from either side. The numbering starts closest to SL, and proceeds across to SR. All rooms are equipped with showers, toilets, mirrors, chairs and costume racks. The smaller dressing rooms have a counter running the length of one long wall, while the larger rooms have counters running along both long walls. Companies working under an AEA contract should use the smaller number for dressing room assignments. There is an audio feed from the stage throughout the area.

Dressing Room #	Number of People	Dimensions
Room #115	6-8 people	8' 6"W x 18' 4"L
Room #116	12-18 people	14' W x 18' 4"L
Room #117	12-18 people	14' W x 18' 4"L
Room #118	6-8 people	8' 6"W x 18' 4"L

WARDROBE ROOM:

There is no dedicated Wardrobe room at the Broward Center, just a small room for minor repairs. Shows booked into the Au-Rene Theatre have priority use of this room.

LAUNDRY ROOM:

The center has one laundry room to facilitate both theaters. It is located on stage level between the two theater spaces. There are three washers and three dryers in the laundry room, as well as a double sink.

Arrangements must be made in advance, as shows booked into the Au-Rene Theatre have priority use of this room.

CARPENTRY SHOP

Broward Center has a small wood shop for general repairs and limited welding equipment for metal & steel, located in the Au-Rene backstage. Its availability is dependent on activity in the Au-Rene Theatre.

GREEN ROOM / WARM-UP SPACE

The Amaturio Green Room is 35' x 11' 6", and has a commercial grade coffee maker, standard refrigerator/freezer, and a sink. There is an audio feed from the stage, and a CCTV connection (television not included). It can be used as a Catering Room, a Wardrobe Room, a Production Office or a Rehearsal/Warm-up room. It has a section of mirrors and barres.

There are additional mirrors and barres outside of dressing room #118, and in the stage entrance to Up Stage Left.

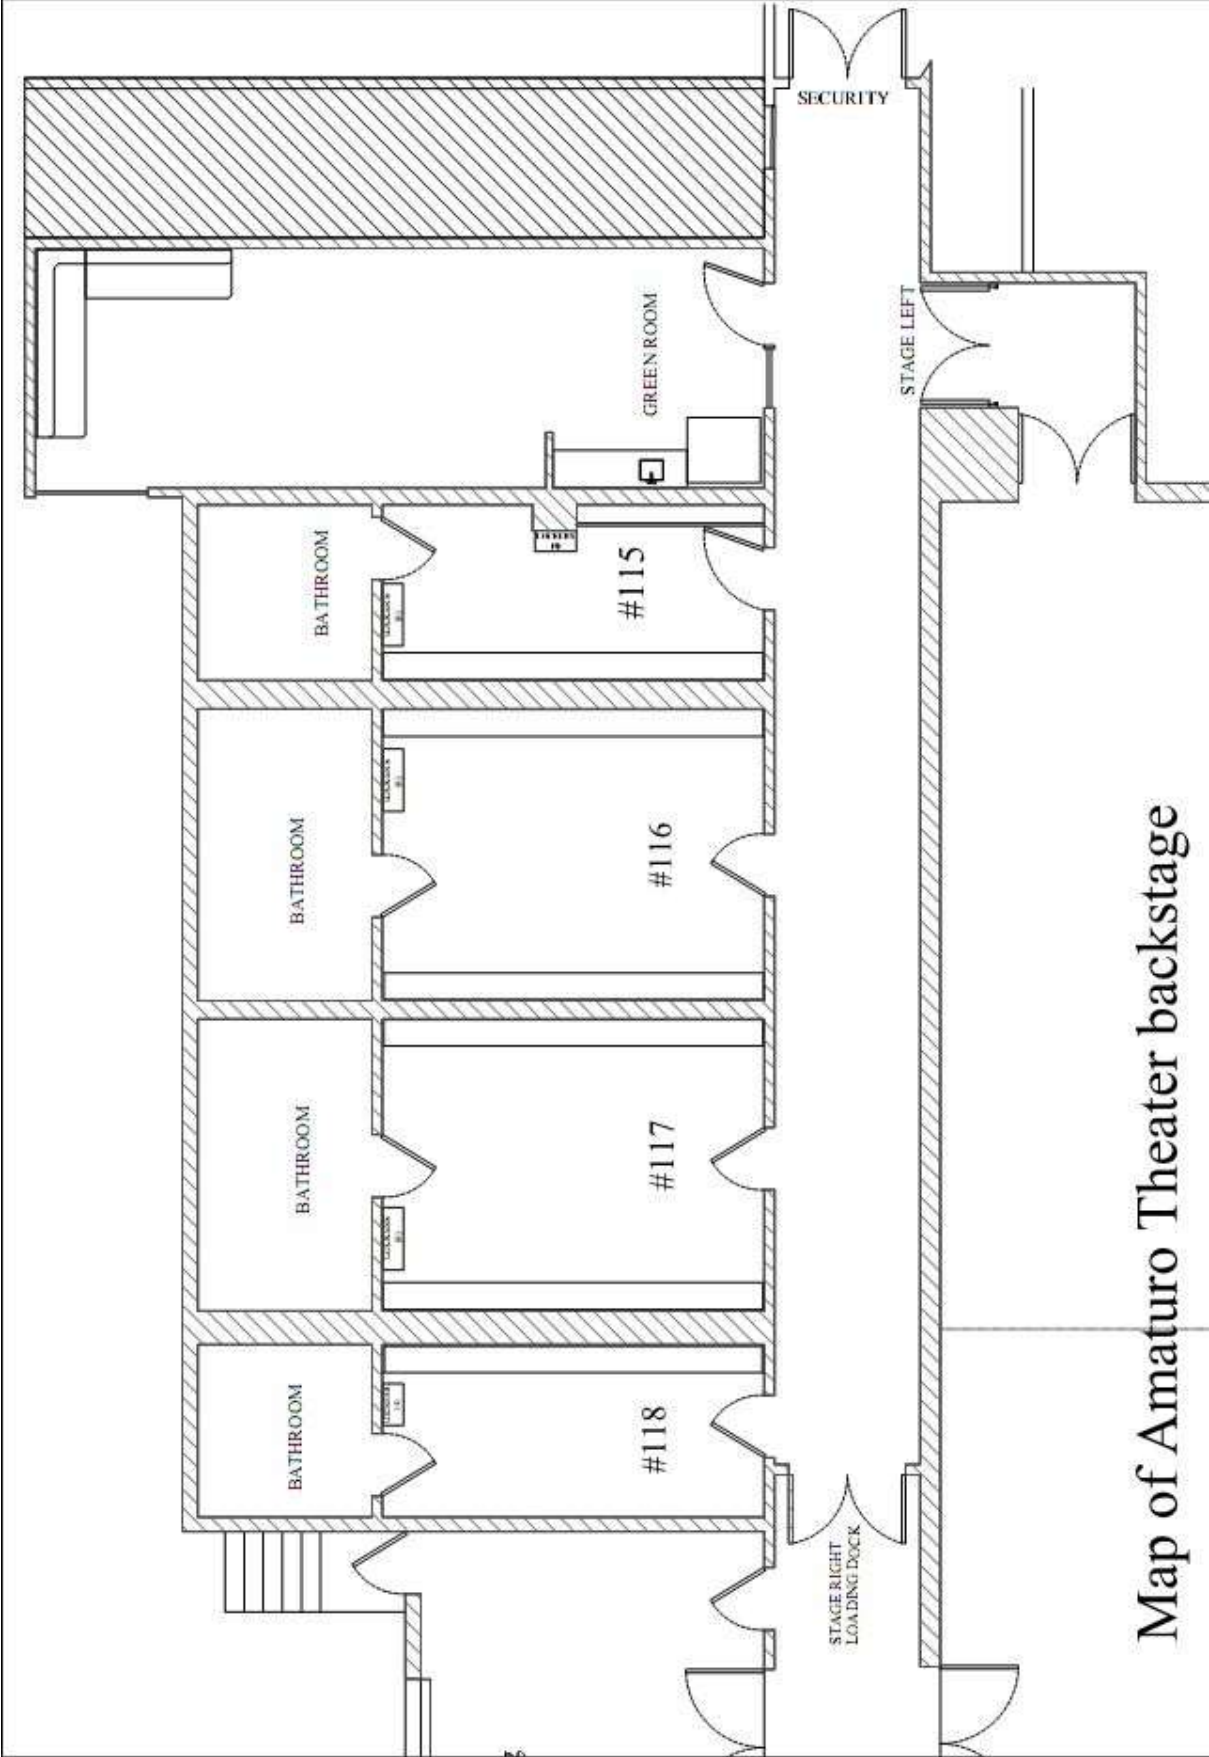

SUPPORT SPACES

The Amaturio Theater is not equipped with office space for clients, but each dressing room, as well as the Green Room, can be equipped with a phone line and a high-speed internet connection. Room #118 has been the traditional favorite for production use, but any of the rooms can set up as an office. Phone and internet connections require advance notice, as the available outside phone lines must be shared with the Au-Rene Theater.

ADDITIONAL RENTAL SPACES

The following space must be reserved in advance, and is subject to availability: The Einstein Room is 36' x 18' and is located next to Au-Rene Green Room. It has no mirrors or bars.
