WARDROBE ROOM:

There is no dedicated Wardrobe room at the Broward Center, just a small room for minor repairs.

The Show's Wardrobe Department has the option of setting up in a dressing room or the Au-Rene Green room. Arrangements should be discussed with Production Staff prior to the company's arrival.

LAUNDRY ROOM:

The center has one laundry room to facilitate both theaters. It is located on stage level between the two theater spaces. The "wardrobe room" really works as a laundry area. Three washers and three dryers are on hand. Double sink is available. Most shows opt to use Dressing Room 123 as a wardrobe workroom, if one is required.

GREEN ROOM / REHEARSAL - WARMUP ROOM/ CATERING ROOM:

The Au-Rene Green Room is 38'-8" x 16'-10" and has a small kitchen area with a microwave, coffee maker, sink and refrigerator.

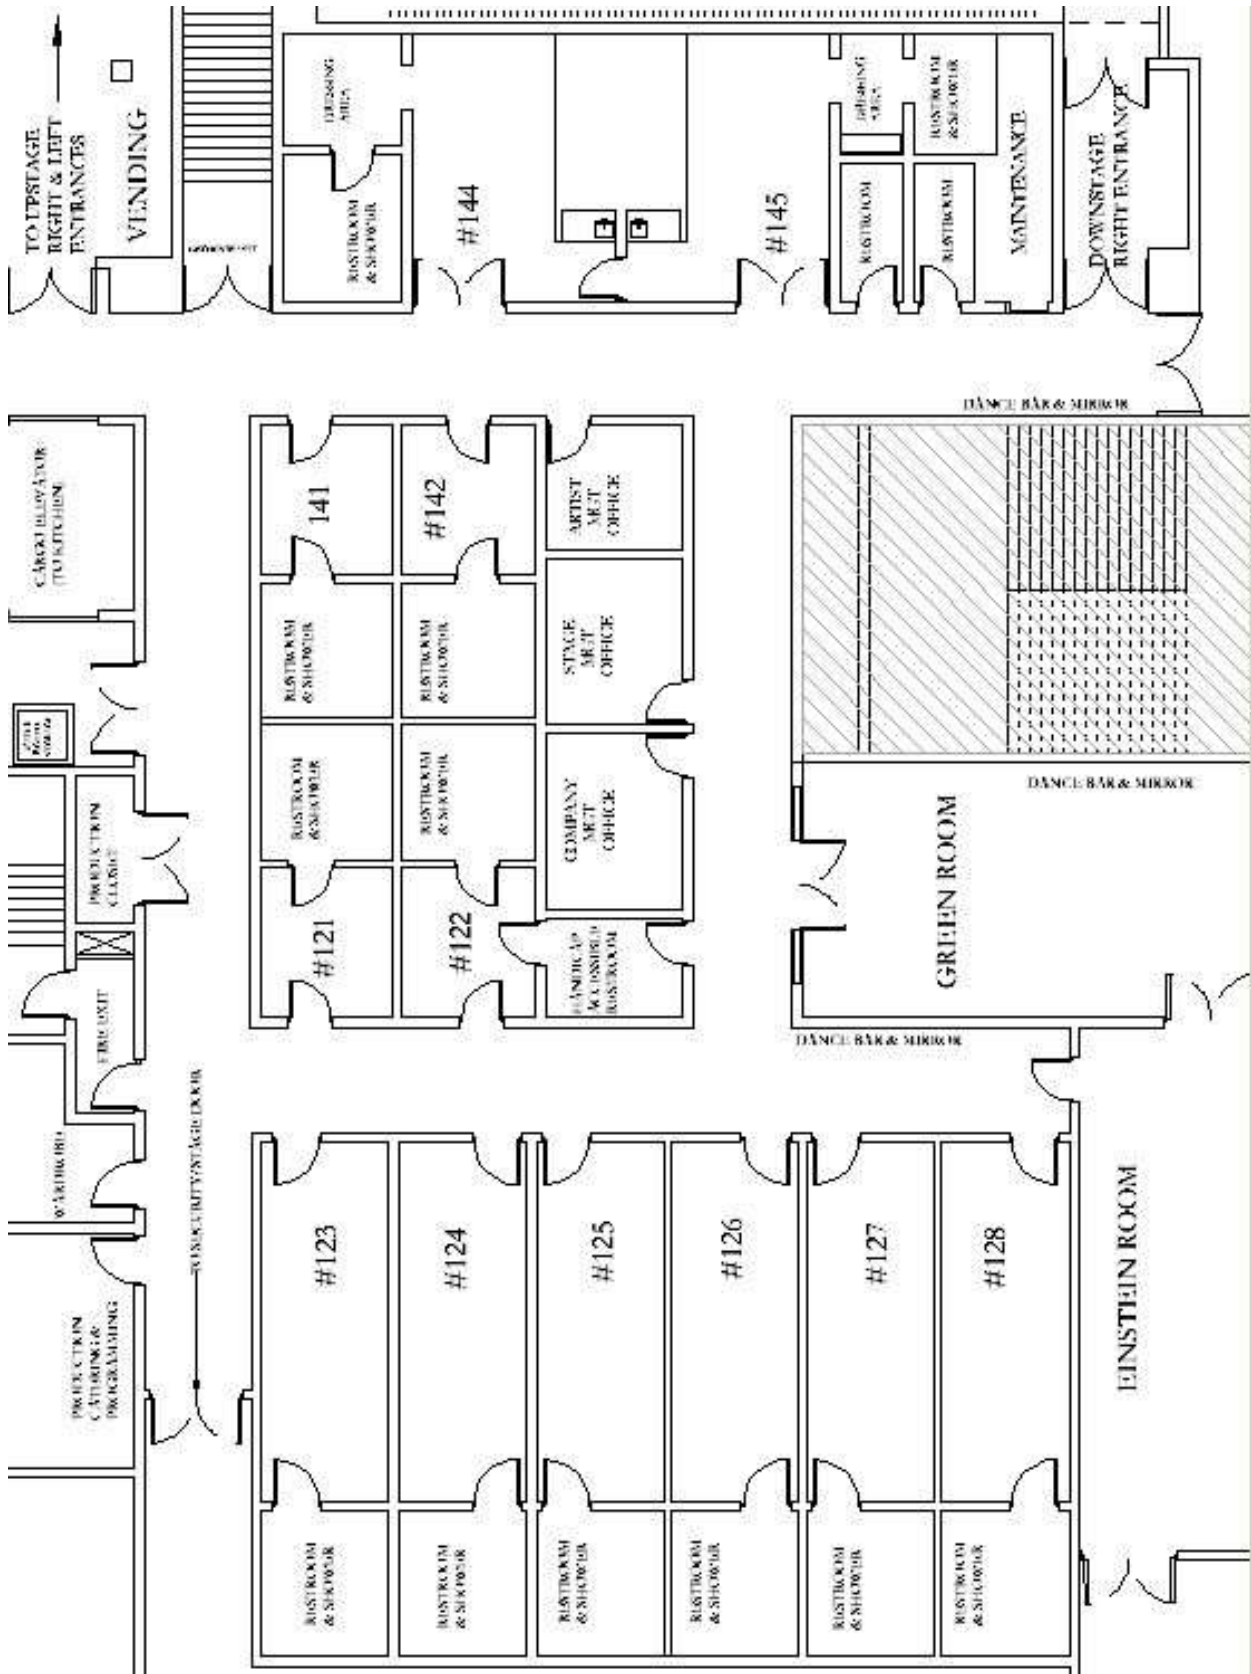

It can be used as a Catering Room, a Wardrobe Room, a Production Office or a Rehearsal/Warm-up room.

It has one wall of mirrors and barres, a wood floor (no rosin allowed) and can be set to have five phone lines and a data port.

There are also barres and mirrors located in the hallway across from dressing rooms 127 and 128, and in the hallway across from the stage entrance to Down Stage Right.

BACKSTAGE MAP

PRODUCTION OFFICES:

Please note that there are additional fees for use of internet and phone. Calling Card or code required for all long distance calls. The default arrangement is as follows:
