**If I am coming from the parking garage, then I will walk to the top of the hill towards Amaturo Theater.**

**Once I get to the top of the hill, I will walk to the box office.**

**Box Office**

**There will be cars and people in line. It might get noisy too, but I will stay with my group and patiently wait for my turn to show the ticket.**

**Once I get to the box office, I and everyone in my group will show our tickets before going into the theater.**

**When I enter, I will go through the lobby. There I will see signs to the restroom, buy a snack, and walk around the lobby.**

**Restrooms**

**Buy a snack**

**Walk in the lobby**

**If I need help, I can ask an usher wearing a white shirt, red tie, and black pants. If I am lost, the usher can help me find my seat, restroom, or even my group.**

**Ushers**

**The lobby has a lot of fun activities to see and explore before the show starts, but it may get too loud and crowded. I will stay close to my group.**

**Crowded Lobby**

**Stay with my group**

**In the lobby, I may get to do arts and crafts, meet the actors, or touch the actor's costumes from the performance. I will wait patiently until it is my turn for the activity.**

**Arts and crafts**

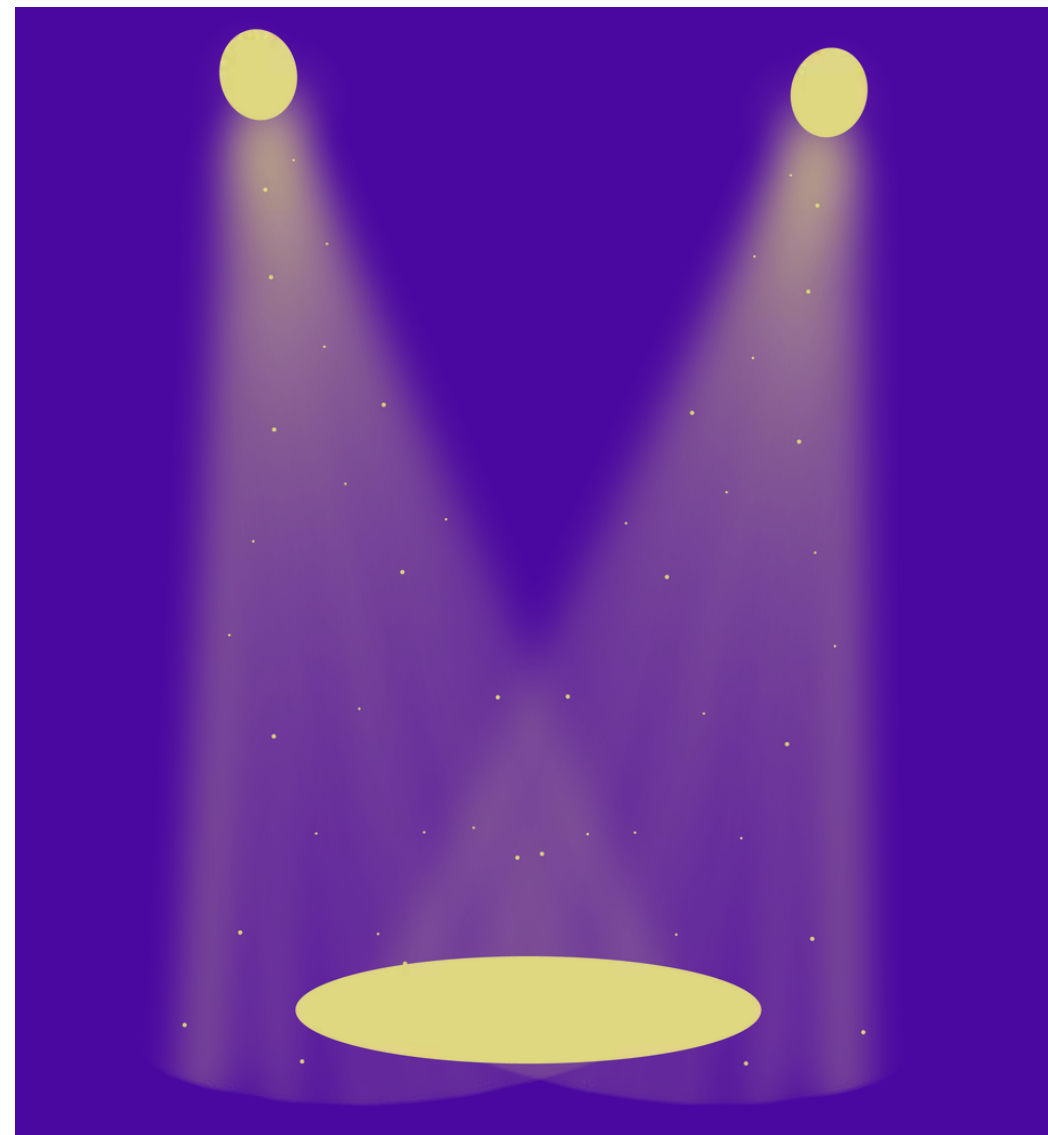

**Meet the actors**

**Touch costumes from the show**

**An announcement will be made to go to my seat so I can enjoy the first half of the show.**

**When I get into the theater, I will see a lot of seats and people.  
Each seat has a number that matches the number on the ticket.**

**My ticket has my and my group's seating numbers so we can sit together. I can show the usher my ticket so they can show me and my group to our seats.**

**If I use a wheelchair then I will be seated accordingly with my group.**

**When I get to my seat, I will wait patiently for the show to start.**

**Once the show is ready to begin, the lights will become dim.  
I will see enough light around the theater including the aisle  
seats.**

**Before the show starts, someone will come on stage and make an announcement.**

**I may meet some of the actors, who are pretending to be different characters in the show. What I will see on stage is not real; they are actors playing a part in a show. They may have masks, costumes, and toys, and they are trained to make the story look real.**

**The show is fun! I can laugh, dance, and clap during the show while staying in my seat.**

**I can take a break at any time if I tell my parents or group. Then they will take me to the ABA Centers of Florida Sensory Quiet Room.**

**I will follow the signs to the ABA Centers of Florida Sensory quiet room. I can stay there until I am ready to go back to my seat and continue watching the show.**

**When the show gets too loud, I will use a pair of headphones that will make me feel more comfortable. I can also use a fidget toy while watching the show in my seat.**

**After the show ends, I will clap for the the actors to show that they did a good job.**

**When the show is over, there will be a lot of people leaving. I may have to wait for my turn to leave the theater to go to the lobby.**

**When I walk to the upper lobby, I will follow instructions to meet with the actors. I may have to wait in line before I can take a picture with my group.**

**I can express “thank you” to the ushers and actors for making me and my group feel welcome.**

**I had so much watching the show at the Broward Center!  
I can come back again for another show!**
