## CHARACTER GUIDE

### SYNOPSIS

This play is a series of short scenes called vignettes that are based on the famous Peanuts® comic strip. You may have seen some TV specials like *It's the Great Pumpkin, Charlie Brown*; *Snoopy Come Home*; or *It's a Charlie Brown Christmas*. In this performance we learn about six different characters who are between 6 and 8 years old. Through songs, dance, and storytelling we come to know each character for all of their quirks and strengths. The main focus is on Charlie Brown, a little boy full of self-doubt, fear, and hope. With the help of his friends he learns to accept his own shortcomings and the humanity in others.

**CHARLIE BROWN** is the main character of this story and is everyone's favorite "blockhead." He has trouble flying kites and playing sports, but he never gives up!

**LUCY VAN PELT** often plays the role of therapist to her classmates. Mostly, she has lots of opinions and tends to boss others around. You might even say she is a bully. She is Linus' older sister and she loves Schroeder who plays the piano.

**SNOOPY** is Charlie Brown's dog, but he usually forgets that and acts like a human. He is a beagle who is loyal, funny and has a wild imagination. Watch for his happy dance!

**SCHROEDER** plays a toy piano and seriously loves classical music. Lucy Van Pelt adores him, but Schroeder is only interested in his music.

**LINUS VAN PELT** is Lucy's younger brother, but don't let his age fool you. He is very smart and serves as the show's philosopher, but he is still very young and is usually seen holding his security blanket and sucking his thumb.

**SALLY BROWN** is Charlie Brown's younger sister who seems cute and innocent on the surface, but down deep she can stir up a bit of trouble. She complains when Charlie asks her to feed Snoopy and her love for Linus is unforgettable!

This sensory-friendly performance is made possible by support from:
