

Founded in 2009, the Ghost Light Society’s mission is to engage and inspire a new generation of patrons to take an active role in promoting, celebrating and supporting the performing arts.

Aimed at community leaders between the ages of 25–45, the Ghost Light Society offers a variety of exclusive benefits for members, including access to pre-sale tickets, pre-show cocktail receptions, networking events and behind-the-scenes opportunities throughout the year.

All memberships and donations to the Ghost Light Society help support the Broward Center’s award-winning arts-in-education programs that serve more than 150,000 students each year. To date, this dynamic group of young professionals has raised more than \$750,000 and was recently named the “2017 Arts Non-Profit Organization of the Year” by 2-1-1 Broward!
