I may travel to the Broward Center by car or bus. My family, caregiver or chaperone will help me get there. I may get dropped off or drive to the Broward Center for the event. If I drive by car, I can park in the A&E Garage right next to the Broward Center. Then I will walk across the street to the Amaturro Theater.

A&E Garage

Amaturro Theater

I need a ticket to get inside the theater.

Waiting in line is something I will have to do sometimes. It can be difficult, but I will try my best to wait patiently.

As I enter the theater, I will find the **ushers** who are very happy to help me.

I feel secure because the **ushers** will help me find the bathroom and my seat.

There are fun activities to do before the show begins! Sometimes the lobby is crowded and loud. But that is ok! I can stay close to my family, caregiver or chaperon. I will wait patiently until it is my turn for the activity.

Depending on the show, I may get to do arts and crafts, meet the princess, and touch the costumes I will see in the performance.

I will follow instructions from my family, caregiver, chaperone and the ushers, and it makes me happy that I'm having fun.

There is assigned sitting for the performance. Once I take my seat, the lights will become dim, but there will still be enough light to see around the theater. I have nothing to be scared about. I will sit with my family, caregiver or chaperone.

Before the show starts, someone will come on stage and make an announcement.

I may meet some of the actors, who are pretending to be different characters in the show. What I will see on stage is not real; they are actors playing a part in a show. They may have masks, costumes, and toys, and they are trained to make the story look real.

If the sound is too loud, I can ask my family member, caregiver or chaperone for a pair of headphones that will make me feel more comfortable.

If I feel nervous, I can ask my family, caregiver or chaperone for a fidget to help me feel calm.

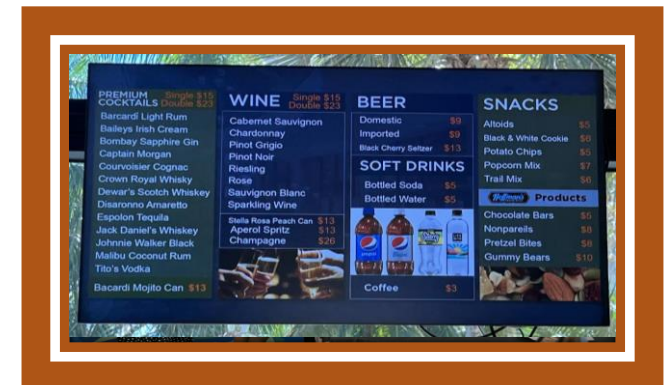

If I need a break, I can ask my family, caregiver or chaperone if I can go to the ABA Centers of Florida Quiet Room. We will follow the signs. A behavioral therapist will be there to help me calm down until I am ready to go back inside the theater.

Halfway through the show there will be an **intermission**. An **intermission** means that I will get a 15-minute break from the show.

During **intermission** I can use the restroom, purchase a snack, or walk around the lobby. An announcement will be made to tell me to go back to my seat so I can enjoy the second half of the show!

After the show, the actors will come to the upper lobby to meet the guests who have come to the show.

I will follow instructions, and I may have to wait in line before I can take a picture with my family or group. I will thank them for making me feel happy.

My visit at the Broward Center has ended.

I hope we can come back for another show. Thank you for making me, my family or group feel welcome.
